Hongkong, October 1st, 1874.

Ir is always difficult to form a just estimate of the merits of a case tried at a distance, plaints in this Colony. The only satisfacand it is especially difficult to do so when tion that is ever obtained is a reply giving the Judge and Jury happen to be in opposition to one another. The trial of Mr. Faw- puble evasion of the subject complained of. CETT at Chefoo on a charge of manslaughter Wo have already commented at such length | greatest difficulty in passing along the roads. in consequence of a Chinaman being killed upon this matter that we shall not weary through his revolver going off in a fray, has our readers by again entering upon it at any forms one of the most interesting cases there them, the public cannot fail to discern two phoons, and I have not the slightest besitution discharged him. has been in China for a very long time, as points upon which they have a right to dothe law concerning manslaughter has been mand further information from the Covernlaid down with greater severity than we ever | ment. The first is why the fire-bell was not | tion.

had been much interfered with by native roughs. FAWCETT accompanied the men to their work to see that they were not further molested, having previously taken the precaution to arm bimself with a revolver. On the way be was met by two of the men who had caused the disturbance, with

whom a scuffle ensued, one of them attempting to strike him with a hoe, while the other attacked him from behind. His hat was knocked off, and in stooping to pick it up his revolver slipped down his leg. The accused seized it and in self-defence he struck the man attacking him over the head with the butt and, when it accidentally went off, the bullet passing under the accused's arm and killing the man behind him. Such was the version of the affair given by the defendant and corroborated by his witnesses, and it was their verdict were based, as the evidence for mouthly salary. His time is now divided be in the management of the police. I should also cards have been discovered; although efforts | Chancellor of the French Consulate General, the prosecution entirely broke down, being admitted by the Judge to be so contradictory that no reliance could be placed upon it. Sir EDMUND HORNBY, however, accepting these facts, laid great stress upon the the two parauits. point that FAWCETT had armed himself with a revolver, and laid it down to the jury that his having made use of such a weapon, and its having even accidentally caused the death of a man, amounted to manslaughter. The Counsel for the defendant pointed out the difficult circumstances in which defendunt was placed, and contended that having a revolver with him after what had taken place amounted only to a reasonable precaution; and this consideration appears to have weighed so much with the jury, that they acquitted the prisoner in the teeth of the hard

summing up of the judge. We give the summing up, and what fol lowed in extenso, as it shows clearly the nature of the case as placed by the judge. He lays it down that the accused was not justified -notwithstanding that he had been mobbed able to a charge of manslaughter-but it was, jury whether Fawcerr's having been mobbed the day before formed a justification of
his carrying a weapon. Instead, however,
of putting this fact to the jury,
ship decided it by implication. "Fawcerrs, the fact to the says, "after the coverage of the coverage of Monday, and

doubt thought he was justified in taking a THE ACTION OF THE CAPTAIN SUPER revolver when threatened a second time. am sorry he thought so, and I regret still more he used the weapon"-thus deciding that there was not sufficient grounds to take this precaution, which, according to the theory of the case as presented to the jury, was the main point of fact to be decided. If Si EDMUND HORNEY's enunciation of the law is correct, it is impossible to avoid the conclusion that a man is not justified under any circumstances in using a weapon in self-defence, the steamer Albay from Manila came ashore on us it is surely difficult to conceive circum- the Prays, inside Donglas Lupraik & Co.'s stances which would more completely justify anyone in doing so, than having already been heard coming from the ship, when lights were attacked by a mob, and being actually at the displayed and a rope was thrown on board. time the weapon was used-not for its deadly purposes, but with the butt; end-attacked by a mon with a hoe-which is just as deadly Engine House of the Hongkong Fire Insurance weapon as the butt end of a pistol. It would thus seem that the disturb persons, all told, on board his vessel.

ance of the ordinary salm flow of justice which has arisen at Chefoo resulted from the Junge having-contrary to the care and acumen which he ordinarily displays -taken upon himself to decide a fact which ought to have gone to the Jury, and the latter having resented this by giving a verdict in which this fact no doubt greatly influenced them. It is satisfactory to find that the Chefoo at the time he left the Prays. Jury showed this amount of independence, as there is far too frequent a tendency of H.M. 80th Regiment, and Mr. C. W. Baird, the matter, as though it were of no consequence. seems strange that troops should not be sent if, at the very time that he was lecturing his on the part of the Judges everywhere to enter upon the merits of the cases, instead of confining themselves strictly to the law, and leaving the facts to the Jury. Looked at in an ordinary light, it is impossible to see any- the night thing to justify the strong comments of the Judge upon a man having a revolver when in the position of a solitary foreigner among moments of great public danger, and whether a lot of excited Chinese at an out-of-the-way place where a lighthouse was being creeted. HALL & HOLTZ and KNLLY Most people would say that to go unarroad HALL& HOLTZandKELLY under such circumstances would be a very imprudent act; and as there was admitted to be no evidence of any intent to fire the Yokohama ..... Mesers. LANE, CRAWFORD & Cc. | weapon on the part of Mr. FAWCETT, and

that he only used the butt end, when he was attacked by a man with a hoe, it would cortainly be the strongest application of the law over heard of to hold him guilty of manslaughter. The Counsel for the accused, Mr. HANNEN, took exception to this ruling, but further discussion of the legal point has been cut short by the Jusy, who could not bring, themselves to return a verdict which would be so entirely repugnant to-common under my command by ordering them to leave THE correspondence which is published elsewhere will scarcely take the public very much by surprise. ENGLISH AND OHINESE DICTIONARY

PUNTIAND MANDARIN PRONUNCIATION. An Anglo-Chinese Dictionary, published signed. at the Daily Press Office, Hongkong.

HOR comprehensiveness and practical service

words which the Chinese have of late years been compelled to coin to express the numerous objecta in machinery, photography, telegraphy, and in science generally, which the rapid advance of foreign relations has imposed upon them, are here given in extense. Each and every word is fully illustrated and explained, forming evercises for atudents of a most instructive nature Both the Court and Pouti pronunciations are given, the accents being carefully marked on the best principle hitherto attained. The typography displays the success of an attempt to make the Chinese and English type correspond in the size of body, thereby effecting a vast following facts are submitted for consideration Chalmers Vocabularly contains about 15,000

this work contains more than 50,000 English words, and upwards of 600,000 Chinese obaracters. Again, despite all the gramman, and student of this difficult language absolutely rethis work contains more than five times as

many as any other Dictionary hitherto pub-

For practical purposes the arrangement of to ita pages enables a person who understands English to communicate effectively with natives who understand nothing but Chi nese. In this respect the work will be found indispensable to all Europeans residing in China, and to the natives themselves it explains subjects fully with which very few indeed of them are perfectly acquainted. To parties resident in England and interested in Ohina it cannot but be invaluable occasionally. It comprises upwards of two thousand large
